

How to send your registration forms?

- Download all of your registration forms on your computer
- Fill-up all the field requested.
- Once your entries are done, save your registration form again.
- Send your form to scadieux_777@hotmail.com
- Title of your email: SCHOOL NAME + MEET NAME

PLEASE SAVE YOUR FORMS USING THIS PATTTERN:

EX: "BG" for "Bantam Girls"

"IB" for "Intermediate Boys", and so on....

If you need more than one form per age group, put "1", "2", (ect.) next to your file name.

EX: "AG1", "AG2", "AG3".

That would mean that you're sending three (3) forms of Atom Girls.
