

The Ottawa Lions Track & Field Club

2009 Outstanding Achievement Awards

“The Gilbert Awards”

In 1997 the Club award for the most outstanding male and female athletes in the Club for both track and field events were renamed the “The Gilbert Awards”. Named after the 7 time winner of the award, Glenroy came to exemplify the true spirit of a champion. This award now honours his achievements.

Glenroy’s international team career spanned from 1986 to 2001. He represented Canada in four consecutive Summer Olympiads from 1988 to 2000 (Seoul - Long Jump, Barcelona - 4 x 100m Relay, Atlanta - 100m & 4 x100m Relay, Sydney - 4 x 100m Relay) and in the 1994 Lillehammer Winter Olympics Games in the 4 man and 2 man Bobsleigh. The 1996 Atlanta Men’s 4 x 100m Relay Gold Medal achievement relied heavily on his selfless character and team leadership skills. Glenroy was inducted to the Canadian Hall of Fame in November, 2008. From 1993 to 1998 the Canadian Men’s 4 x 100m Relay Team dominated the world athletics scene with one consistent factor ... Glenroy.

“THE SAM ESTWICK MEMORIAL AWARD” MOST OUTSTANDING PARALYMIC ATHLETE:

Sam Estwick was a Community volunteer who joined the East-Ottawa Lions Service Club in the early 70's and through his involvement with their sports committee, became the driving force for the creation of the East Ottawa Lions Track & Field Club. When he served as Club President, he introduced management principles to the Club and built an administrative organization, with parents and other volunteers doing the business-type functions, so the coaches could devote their full time to coaching. He is one of the few lifetime members of the club. After stepping down as President, he continued to officiate at meets and promote participation in the club. Throughout his life, Sam struggled with and surmounted adversity. In 1982 an award was created in his honour presented each year to the outstanding athlete with a disability.
